

UCC EXPLORE

Instant Online Searches

UCC EXPLORE provides instant access to state level UCC and Tax Lien data with a consistent search logic for all states. Print complete, easy to read reports that include filing dates, types and parties.

- Search by Debtor Name, Secured Party Name or by Filing Number.
- Conduct searches from a certain date forward.
- Search history that includes reports previously obtained and the ability to download additional copies.

Other UCC EXPLORE Highlights:

Filter search results to pinpoint only those filings needed

Immediate access to copies of recorded documents including Washington State electronic filings.

Search by Organization Name, Individual Name or both.

View total cost associated with your search, broken down by search and copy count.
